St. John Noah's Ark Preschool
2018-2019 School Year

PROGRAM

St. John Noah's Ark Preschool program is pleased to continue its tradition of providing high quality education to young children. We use "Creative Curriculum" for academics and "One in Christ" for our faith-based curriculum.

Age requirements to participate in our preschool programs are as follows:

- 3 day Preschool Program (8:30-11:30am T, W, Th) – children must be 3 years of age prior to September 15th and potty trained. (*\$110.00 PER MONTH*)
- 5 day Preschool Program (12:30-3:15pm M-F): children must be 4 years of age prior to September 15th. Children age 5 are welcome to participate in this program. (*\$150.00 PER MONTH*)

MISSION

The mission of Noah's Ark is to provide a safe, nurturing environment for each child which meets their educational needs with a Christ centered curriculum that encourages and develops their spiritual growth.

MOTTO

"Good Beginnings Never End." ~Philippians 1:6

PURPOSE

The purpose of St. John Noah's Ark is to offer the congregation and community a developmentally appropriate Christian educational program to prepare children for a more formal education. Children will have the opportunity to grow spiritually, intellectually, physically, and socially through developmentally appropriate, hands-on learning experiences. The program is an extension of the home, and an aid to the parents in teaching Christian knowledge, attitudes, and conduct.
